

Quest for the South Magnetic Pole

Name:

Today you are going to go on an adventure
into a Frozen World.

Enter the exhibition and discover
Antarctica.....

You will need to look, listen and think as you go.

Stay safe.

Keep warm.

How will you survive?

Can you find.....

Something to cook with?

Something to wear?

Something to travel with?

Something to help you
find your way?

Somewhere to sleep?

Something to keep you
warm?

Draw:-

Something you have never seen before.

Something that amazes you.

Something useful.

Something you really like.

Do  Find the box of clothes. Get dressed up- make sure you cover as much of your body as possible. Put on the harness and imagine that you are pulling a heavy sledge over the slippery ice.

Listen  Find the tent and look inside.
Listen to the diary that is being read inside the tent and imagine what it would be like to be part of this expedition.

Draw  Find the crampons in the exhibition and draw them here.

Hint- you wear crampons on your feet.

A decorative border of small, stylized snowflakes surrounds the entire page. The snowflakes are arranged in a grid-like pattern, with one row at the top, one row at the bottom, and vertical columns on the left and right sides.

Find the theatre and put
on some 3D glasses.

Look at the photographs
and imagine that you are
in Antarctica.
