migration@history.sa.gov.au

Oranges & Sunshine tells the story of Margaret Humphreys, a social worker from Nottingham, who uncovered one of the most significant social scandals in recent times: the organised deportation of children in care from the United Kingdom to Australia. Almost single-handedly, against overwhelming odds and with little regard for her own well-being, Margaret reunited thousands of families, brought authorities to account and worldwide attention to an extraordinary miscarriage of justice.
Director: Jim Loach
Cast: Emily Watson, Hugo Weaving & David Wenham
Rated: **M** (15 + Mature, recommended for audiences 15 years and over)
