

Each banner bag is labelled with a number and panel name so you can work out the order that they need to be displayed.

1. Growing up in SA / Leaving Childhood
2. Bringing up Baby / An Apple a Day
3. Toy Stories / Just for Fun
4. Pay Packets & Pocket Money / Lending a Hand
5. Happiest Days of our Lives / Tell us Your Story

To decrease risk of damage, it's a good idea to place the banners in their bags where you intend setting them up rather than moving them after they have been set up

**Setting up our travelling exhibition *Once Upon a Time* is as easy as ABC ...**

**A** Take out base & folded rod (inside long pocket) from bag. Put rod together and place one end in socket in centre of base

**B** Carefully pull up one banner & clip top end of rod into place so it is secure (you may need to tip base towards you as you are pulling up banner)

**C** Pull up second banner on other side & clip top end of rod into place (again it may be easier to tip base towards you as you are pulling up banner)
