

The South Australian History Fund

2025-26 Grant Guidelines

Among the key aims of The History Trust of South Australia is to keep building the evidence of our state's rich and fascinating past and to make it accessible to all. We offer two annual grant programs that progressively add to South Australia's history and bring it to life. The South Australian History Fund enables more stories to be gathered, preserved and shared, now and in the future. We welcome and appreciate your interest in helping to make that happen.
